NOTICE BOARD ADVERTISEMENT

LED is one of the key errands that Umhlabuyalingana municipality engages on through a variety of packages. It remains factual that success of this assignment is mostly contingent to alliance level obtained from different stakeholders. This varies with each LED model. It is uninterruptedly dynamic to ensure that implementation of any LED assignment be referred back to the municipal implementation devices such as the scorecard, IDP, and the SDBIP. On such basis, the Municipal Manager of Umhlabuyalingana Local Municipality hereby invites all suitable and qualified consultants to submit proposals for the review of Umhlabuyalingana Municipality LED strategy. Work on this document should be in line with the framework of the Local Governments Strategic Agenda. A sound qualification in Development Studies is compulsory for the success of this work.
